COLLEGE OF MARIN

Student Learning Outcomes Assessment Council

Agenda / Minutes
Friday, April 16 11:10-12:40
Zoom

Present: Farhad Zabihi, Nancy Willet, Cara Kreit, Logan Wood, Cari Torres-Benavides, B.Lee Federle (guest)
Absence:

TOPIC and Time	Notes
Agenda and Minutes	We began with Holley and ISLOs first.
Committee Check In • Evals / Chairs meeting / UDWC call • Library SLO work • Spring 2021 Assessments / 3 year plans •	-Focus should be on "baked in" and not be separate – okay that it is baked into evals rather than called out separately. -3 year assessment plans: We will reach out and make contact with all chairs to make a 3 year plan by next meeting.
eLUMEN updates • Disaggregated data updates • Canvas integration updates • Outcomes in Canvas – troubleshooting • Outcomes assessment – next steps for spring and fall (Flex?)	Disaggregated data: - Holley needs to know how to access the raw data and whether fee is for each time or one-time. We are still missing race/ethnicity data (and these appear at times separately). - Cari and Logan will organize w/ Holley to meet w/ Megan to see next steps for missing data and how to access raw data. Canvas: - We tested push out of *outcomes* into Canvas. Some error messages but some got pushed out. - Overall group decided to move ahead with exploring this college-wide

	- Things we need to troubleshoot (Logan and Cara will start looking into this):
	    ○ Outcomes are editable – Can Stacey lock this? Can they be imported into syllabus?
	    ○ They appear to be assessable for everyone but only those set up for assessment will actually gather the data in eLUMEN, which is an issue if we want to try this college-wide.
	    ○ Canvas timing – can they be exported into unpublished Canvas course and before eLUMEN switches to next semester?
	    ○ Timing to alert faculty of this – B.Lee might create a video we could send out over summer.

ISLO Data: First look at aggregated and disaggregated ISLO data. http://slo.marin.edu/college-wide	- Only use aggregated at this point – do not use disaggregated since there's some data missing. - Caveats with ISLO data – may be skewed toward full time students since they are likely to be assessed more than part time students in this data. - These eLUMEN reports are not very readable – can eLUMEN add short cut names to ISLOs or column totals to make these more readable? - Ultimately for these to be more readable we need Tableau. - We will look at how CCSF uses their ISLO data, but some ideas include GE Committee and Board for mission review. - Why is outcomes data much higher than institution set standard?
Equity Discussion: • The Why of Assessment What are the core takeaways that are relevant to SLOAC?	Did not get time to do this.

How can we incorporate this into the committee work of: • Writing/revising SLOs • Rethinking assessments • Looking at SLO data What can we highlight on our website?	
Next Steps: • Next DART / SLOAC meeting - April 22 • Dong will do final data upload to eLUMEN around May 1 • Next SLOAC meeting is April 30	

- ==AA-T Anthro -- up to date==   Done – Reach out to J
- ECE Degree/Cert (Wait for program review?) **-- In Progress**
- ISLO Map Behavioral Sciences
- AA-COM Liberal Arts Soc/Beh (check in w/ Dave) **this is in the workflow now -- Gina can approve /**
- ISLO Map CE: Needs Court Reporting (logan – wait until revisions), Machine, MMST (B Lee) **all MACH and MMST are in workflows (Derek started it) -- stuck, waiting for FT hire**
- AS-COM and CERT Machine Metal (revised – status going through workflow)
- CERTs MMST – workflow (mapped – Logan will do) -- **maybe be conflict between workflows submitted from different faculty within department**
- ==AA-T Philosophy (waiting for DART) -- up to date==
- AA-COM Dance (logan will double check) **needs to be mapped will send to Kristi**
- AA-T Theater (status?)   **see below**
- Performing Arts ISLO (waiting for Lisa) **will send again both AA for Drama and Theater need to be done, these are not in work flow anymore so they can be mapped**
- ~~Fine Arts ISLO (Logan will do)~~ **all complete**
- ~~AA-T Art History (Kevin will do)~~ **all complete**

- AA-T Kinesiology (mostly mapped – classes that aren't in kinesiology, Logan can reach out to FArhad)
- Cert Nat History / AS-COM Bio / ISLOs
- Health Sciences ISLOs
- Nursing degree (working with Sarah
