Sample Letter to Faculty Assessing Classes Spring 2023:

Hi All,

Hope you are well.

I wanted to reach out because you are teaching one or more courses that are up for SLO assessment this fall in [add Courses here](#). Thanks so much in advance for your time and participation! The assessments are now ready in eLUMEN and are due on Monday, June 5th.

Here's info to get to eLUMEN and easy steps to follow to input SLO results at the end of the semester:

- You can access eLUMEN through MyCOM -- look for eLUMEN in the list of applications.
- Here's a 4 minute video and/or 1-page handout that both show everything you need to know to use eLUMEN to assess SLOs: How to Score an Assessment [add link here](#)
- Interested in seeing your results? Check out Results Explorer in eLUMEN - here's a quick handout about viewing results. [Add link here](#)

Feel free to email me or the faculty eLUMEN Data Steward Logan Wood (rwood@marin.edu) with any questions you have and we are happy to help.

SLOAC's Year-Long Goals for SLO Assessment:

Improve communication with departments for PSLO data

Good resources:

<https://uaf.edu/assessment-review/assessment/index.php>

- Improve assessment schedules by better alignment with degree and certificates
- Interdisciplinary projects – how can ISLO and PSLO and aggregated course-level data be used across disciplines (data we have – how is it useful?)
use Library as an example
