SLOAC's Year-Long Goals for SLO Assessment:

Improve communication with departments for PSLO data

Good resources: <https://skylinecollege.edu/programreview/cpr/assets/documents/Instructional%20CPR%20Template.pdf>

- Improve assessment schedules by better alignment with degree and certificates
- Interdisciplinary projects – how can ISLO and PSLO and aggregated course-level data be used across disciplines (data we have – how is it useful?)
use Library as an example
