

Agenda / Minutes Friday, November 3rd 1:00- 2:30 Zoom

Present: Nancy Willet, Alex Jones, Erik Bruce, Farhad Zabili, Cari Torres-Benavides Absence:

TOPIC and Time		Notes	Action/Discussion/ Information
5 min	Meeting Overview • committee updates • PA meeting • SLOAC calls • Life and Earth PR review • goals		Information
10 min	Committee Updates	Nancy to help Hector with PSLOs for AA-T Logan to confirm with Maria for Presidents message 11/26 or 11/27 include the FLEX sessions ALEX and Logan to talk with Culturally Responsive on Monday Cari gave update on core inquiry from ISER may look at developing action plan in eLumen for next	Discussion

10 min		Logan met with Erin to complete mapping and discuss process of outcomes in PR and SLOAC support	Discussion
	Update on PA pending PR meeting with Erin	Program does not have enough units to offer all courses in degree in year, it will be important to help faculty focus on how to use Results Explorer to monitor success rates in courses over time.	
		Will meet with Erin again to go over this with faculty	
10 min	SLOAC Calls -	calls due today, new timeframe for semester work	Discussion/Action
40 min	Review Life Sciences PR	Review Life Sciences PR - reviewing these PRs can help us develop new questions. Question need to be simplified but also dive deeper into how outcomes can inform teaching moving forward.	Discussion
10 min	Goals for the year	 Website: Remove broken links Move committee resources to less prominent area Keep it simple Include instructions for how to use Canvas and SLO assessment Highlight the faculty resources and PR process Include AI and SLOs as what is happening now Program Review Review all completed Program Reviews as way to monitor understanding of faculty outcome process develop new questions for next PR template add an area for where SLO work is going: exploring what is not working in the classroom as a way to better our teaching 	Discussion
	final thoughts	final reminders to all disciplines from SLOAC finals weeks Logan to send emails around January 2nd.	

Goals for Semester

- develop communication /marketing tools for assessment
 map all degrees and certificates
 Using AI for Outcomes
