10 min	Committee Updates	SLOAC added to PR tracking list - reviewed this document	Discussion
10 min	Curriculum Mapping	<p>Reminder to continue efforts to complete mapping in the next few weeks.</p> <p>Degrees need to be mapped by degree holder: Committee agreed that degrees that have multiple disciplines included in map will need to be mapped by the discipline that holds the degree. If chair of dept has questions about how to map a course, they will need to reach out to the course level faculty and map together.</p>	Information

20 min	SLOAC/GRIT Analysis Template	<a href="#">GRIT PR Analysis Template.docx</a> SLOAC will have a similar template to GRIT's. It will be given to departments to at initial PR meeting with equity facilitators and SLOAC and then again at the completion of PR. This could be a part of the action plan device in eLumen. This will allow for the next round of PR to start with the action plan (where the department ended at the last cycle, continuous improvement).	Information/ Discussion
20 min	SLOAC participation in Culturally Responsive Pedagogy Grant	<ul style="list-style-type: none"> <li>• reviewed outcomes for committee and will offer suggestions</li> <li>• Logan showed check list for how to review/revise SLOs for equity and cultural responsiveness</li> <li>• Alex brought up Title 5 53002 DEIA and using language from Title 5 53002. This may be something we will need to incorporate in courses moving forward. It also notes that it will be used in evaluations in the future.</li> </ul>	Discussion/Action
20 min	Review CE PR	<a href="#">CE program reviews</a> reviewed CE PRs Data will need to be readily available on PR with instructions (both PSLO and CSLO) Logan will share new PR questions with committee so we can continue to edit collaboratively.	Discussion
5 min	Goals for the year	Logan will work on new assessment video	Discussion
