PLO revisions	

There are [several ACCJC recommendations](#) about SLOs that the college must respond to in the next 3 years:

By March 2021, we must show resolution of the following:

- The assessment of course level student learning outcomes should be more clearly identified, and evidence or results of those assessments should be gathered in a way that enables the College to disaggregate the data by subpopulations.
- In order to improve institutional effectiveness, the College should consider reducing the number of general education student learning outcomes to a sustainable level and ensure that all programs are completing assessments.
- In order to improve institutional effectiveness, when using outcome assessment data, the institution should consider strengthening the link between assessment and improving learning for all of its student populations.
