

Directions for printing assessment summary

1. As a department Coordinator go to the Reports tab. Go to Available reports and select faculty participation
2. Once the faculty participation field is open, you will need to set parameters for your reports. Follow the link to an eLUMEN video on this process:

List of SLO Related Exportable Reports

ISLO/PSLO Summary Map by Course/Context - Provides the number of CSLOs mapped to either ISLOs or PSLOs for each course/context.

SLO Presentation - Provides a simple list of ISLOs, PSLOs, and CSLOs.
Assessment Participation

Faculty Participation Report - Provides per section, course, and department information on the number of assessments, action plans, and RFI planned and completed. Helps trouble shoot participation and sampling gaps.

Course Statistics and Evidence - Provides mastery levels for each course on each SLO.

Institutional Statistics - Provides number of courses, contexts, credentials, and GE courses with assessments and action plans for the whole institute.
SLO Outcomes

Course Statistics and Evidence - Provides number of courses with SLOs, assessments, and action plans for a program.

SLO Performance Report - Provides student counts for mastery levels of PSLOs or ISLOs broken down by term and organizational and student descriptors.

SLO Performance - By Department (or Division), Course, CSLO - Provides student counts for mastery levels of CSLOs broken down by term.

Results Explorer - Provides student counts for mastery levels and scale scores for the SLOs and any criteria assessed by a single assessment both overall and by term for each course. This report is attached to each assessment and planned assessment found under the **Assessments** sub-tab, and in the **Assessment Library**.
Continuous Improvement

Budget Report for Action Plan - Provides a list of effective and ineffective actions and the number of resource requests and the amount of resources requested for each Action in a single Action Plan.

Strategic Initiative Section Report - Provides a single report that pulls one or more sections from Strategic Initiatives from any department and from any term.

Strategic Initiative - Provides a print out of the data in a Strategic Initiative. This report is attached to each Strategic Initiative found in the **Strategic Planning** section under the **Initiatives** tab.

Faculty-Only Reports

Blank Rubric - Provides a blank rubric of an assessment without student names. This report is found in the **Rubric View** while scoring an assessment.

Completed Rubric - Provides a complete scoring of an assessment for a single student. This report is found in the **Rubric View** while scoring an assessment.

Blank Scorecard - Provides a blank scorecard of an assessment with the section roster and space to fill in student scores. This report is found in the **Scorecard View** while scoring an assessment.

Completed Scorecard - Provides a scorecard with all available scoring of an assessment for the section's roster. This report is found in the **Scorecard View** while scoring an assessment.

SLO by Term - Provides student counts for mastery levels and scale scores for the SLOs

Faculty SLO by Course - Provides student counts or per student scores for mastery levels and scale scores for the SLOs
