Default Reflection Template

Please provide feedback for discussion with department or discipline faculty. This may be useful for curriculum revisions and development, or program review.

Summarize key findings from your course assessment. For example:

- Notable successes
- Noteworthy challenges
- Unexpected results
- Effectiveness of teaching strategies (past vs present)

[[ANSWER FIELD]]

From the above reflection(s), suggest measures to improve student learning. For example:

- Use of different teaching modalities
- New resources
- External adjustments (facilities, material, technology...)
