Maps are fixed but not completely. Meghan did not fully turn off alerts – some went out to faculty even though she turned them off.</p> <p>CSLO assessment:</p> <ul style="list-style-type: none"> - Alerts when to some faculty. Minimal feedback from faculty – 1-2 only have sent emails. Division reps sent quick updates to Chairs as they felt were needed. - Department Chairs in April – SLOs were not discussed. - Senate – Meg clarified that SLO assessment would continue but departments have 3 years to complete cycle and they can alter their plans this semester as they would like. <p>-Check in email to Chairs as next step to see if they would like to modify their schedules. Cara will draft a letter for division reps to send out at will to departments. Most likely to wait until early May to send this.</p> <ul style="list-style-type: none"> - There are some statewide resources coming together about how to do SLO assessment with sudden remote instruction. Logan will send and Cara will put on a shared doc in case any divisions/disciplines would find this useful.

PSLO Mapping:

- Reviewed and updated the Program Mapping shared doc to determine next steps for each degree.
- Logan has built Shared docs for many of the degrees for remote completion.
- Farhad has completed math/sciences/health sciences.
- Nancy shared DART schedule of transfer degree work to coordinate w/ mapping.
- Cara will connect w/ Grace for next steps to coordinate w/ DART.
