TOPIC and Time	Notes
<ul style="list-style-type: none"> • <u>Agenda approval and minutes</u> from 11/20/20 	
<ul style="list-style-type: none"> • Committee and division updates 	<ul style="list-style-type: none"> • Ron/Mark – Auto – degree/certs/ISLO maps completed. • Life/Earth Sciences – still need mapping • Nursing – will reach out to Sarah • ACCJC Future of learning series – focus was on “power skills” (ISLOs) as way to reduce equity gaps, w/ focus on disaggregated ISLO data. • Data Dashboard – Spring likely. ISLO and PSLO data would be good to have there and disaggregate; course level should be accessible but only if it doesn’t disclose individual section results (maybe restrict to two course sections minimum?).
<ul style="list-style-type: none"> • Rollout of Fall 2020 assessments: <ul style="list-style-type: none"> ○ Progress ○ Updates ○ Reminders • 	<ul style="list-style-type: none"> • Canvas – Hopefully available spring semester. Can’t access interface until Dong does a data load for spring semester. Logan and Cara will continue pursuing whether formative assessment in English could pilot this.

	<ul style="list-style-type: none"> • 380 or so assessments are set for this fall – debate as to how much to email and remind faculty who are already overwhelmed. Good to keep on radar but also that faculty are stretched thin. Use own judgement in divisions as to how many reminders. Consider that faculty can also go back after this semester to assess if now is too much – Jan 4 is soft deadline. • One eLUMEN issue so far – a completed assessment doesn't show in planner as completed despite being completed. Logan will pursue this. • How to encourage assessment, recognize progress, and close the loop: Brainstorming ideas <ul style="list-style-type: none"> ○ Badges – assessments, ○ Tie to Flex hours (Cara will look into this w/ Beth and ProLearning), ○ Dept wide completion recognition ○ coffee cards ○ UDWC grant / IR&D – maybe look at other colleges
<ul style="list-style-type: none"> • Midterm report --- final thoughts • Final updates on mapping for the semester • Program action plans 	<ul style="list-style-type: none"> • Action plans – we need these done for degrees to show evidence for midterm report. Please complete all by Jan 4 (click submit if mapped, save if still being worked on) • Committee agrees content of midterm report is good reflection of activity and progress. • Badging as an example of future plans – we may include this.
<ul style="list-style-type: none"> • Spring – set meeting schedule, plans <ul style="list-style-type: none"> ○ Retreat (Canvas) 	<ul style="list-style-type: none"> • Jan 15 for retreat date • Meeting schedule will remain on Fri mornings
