TOPIC and Time	Notes
<u>Agenda approval and minutes</u> from 2/26/21	
Call for UDWC Division Reps	-Made updates and is now ready to send out
Committee Check In	-eLUMEN is looking to see where disag data is missing -Might be a workaround with raw data that Holley is looking into, but still should be fixed in eLUMEN -DART – discussed AA-T Anthro (now done), AA-T Philosophy (Lots of electives but can't be changed; question raised about whether all electives should map to degree outcomes, or should it be focused on the core courses, Nursing degree – will follow up; MMST – many in workflow, faculty need to connect w/ Gina for more info; Welding – wait for new faculty member most likely; -Evaluations – still have no info on this or connection to assessment
Spring 2021 assessment rollout – Updates?	-April 1 will be first alert; Logan will build over spring break; Leaving alert language alone but next one should embed more info b/c likely

<p>Contacting departments to make next 3-year plan – check in on template</p>	<p>have new people assessing w/ end of 3-year wrap up. B Lee suggested short video clips -We should put ourselves on Jonathan’s radar for April chairs. -Cara showed the 3-year assessment plans w/ another 3-years added on. Given okay so she will build these over spring break. Noted that for those who assess all courses every semester, we can’t build a 3year schedule b/c we don’t know pattern.</p>
<p>eLUMEN / Canvas integration</p> <ul style="list-style-type: none"> • Updates 	<p>Canvas still doesn’t send data back to eLUMEN yet but is being worked on. Training on March 19.</p>
<p>Equity Discussion:</p> <p>SLO Symposium Keynote by Aisha Lowe, Vice Chancellor, CCC</p> <p>What are the core takeaways that are relevant to SLOAC?</p> <p>How can we incorporate this into the committee work of:</p> <ul style="list-style-type: none"> • Writing/revising SLOs • Rethinking assessments • Looking at SLO data <p>What can we highlight on our website?</p>	<ul style="list-style-type: none"> - Looked at Symposium Keynote Slides: <ul style="list-style-type: none"> o Takeaways: <ul style="list-style-type: none"> ▪ Links Vision / Pathways / Assessment together in one presentation, which is a plus ▪ Discusses elements of authentic assessment (Slide 10), which good to learn more about but must be connected to backward design from outcomes, practice of formative assessment and summative assessment, and use of outcomes assessment data = full package and not just parts of it. ▪ Chart – useful on Slide 11, which includes focus on backwards design that previous assessment cycle did not include.
<p>Mapping: What’s Left Review</p>	<p>Discussed earlier –reviewed current list for final steps.</p>
<p>What’s Next? March 19 – Potential Canvas training</p>	<p>Yes.</p>
